Genie Forklift

Genie Forklift Training Ottawa - Genie Industries prides itself with the belief of lifting people and materials higher, extending beyond the products they produce. A global company that is greatly associated to their customers and enjoys reflecting the spirit of partnership with all they accomplish. Genie Industries strives to help clientele build their business no matter how large or small the level of undertaking may be.

In 1996, with the introduction of the Genie Hoist, which is a pneumatic, versatile materials lift spawned the foundation of Genie Industries. A succession of aerial work platforms and additional material lift trucks followed to meet consumer demand. These innovative goods secured universal recognition and established state-of-the-art product design.

Genie Industries is at this time a subsidiary of Terex Corporation. Preserving foremost quality production and uncompromising service and support are among their highest priorities. With customers from Helsinki to Hong Kong and Denver to Dubai requesting the distinctive blue coloured forklifts on the jobsite, the business is confidently grounded in their exceptional consumer service and values. Acknowledging that their customers are their greatest motivation, the team at Genie Industries are personally dedicated to providing expertise and maintaining customer rapport.

The reliable team is dedicated to greener, more environmentally practical solutions to advance the goods that customers want. Genie Industries focuses on "lean production" practices in order to help limit waste while making very high quality forklifts in the shortest time period at the lowest possible expense for the customer. The staff at Genie Industries is proud to serve the industry and this is reflected in every invention they manufacture. Always inviting client input allows them to produce and develop progressive new products that are effortless to service and operate, provide optimum value-for-cost and satisfy international standards. Thriving on customer opinion helps Genie Industries to repetitively evolve and meet the consumers’ requirements.

Genie's service specialists are eagerly accessible to offer solutions to the inquiries you may have in order to keep you fully operational. Their extensive components network will swiftly dispatch parts to ensure their customers’ equipment are operating effectively. Each product comes backed by a competitive and reliable warranty.

Genie Industries prides itself on customer success. They assemble and service their products to maximize performance and uptime on the job. Delivering on-going training opportunities, to marketing support to adaptable financing options, Genie Industries offers their customers the resources to get the most out of their purchase.
