

Nissan Forklift

Nissan Forklift Training Ottawa - Nissan takes great pride in achieving overall client satisfaction, when their consumer is experiencing one of their many products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to offering high value and meticulous quality values to their customers. Incorporating a fruitful heritage combined with solid manufacturing principals, Nissan lift trucks provide many of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide requirements of their diverse purchaser base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to offering customer support, the business has four distinct production facilities that allow them to constantly adapt to their clients continually evolving wishes by providing a range of modern ideas and concepts.

The Nissan Lift truck North and South American center is located in Marengo, Illinois. A loyal team of 350 personnel is committed to the cooperation, design and fabrication of their goods. Operating under the ISO-9001 and ISO-14001 certifications, helps every sector of the Nissan Forklift Corporation to preserve environmental responsibility by using methods that limit the global effect of their goods and processes. These high standards remind customers that Nissan operates under the quality seal that their customers demand while being an environmentally responsive organization.

Nissan is quite confident that any of their consumers inquiries and client concerns directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, reaching one of their locally authorized dealers or even traveling to their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their hospitality and dedication.
